Classic-Craft® Collections

Find the right style for any personality. Choose from premium Fiberglass entryways in four wood grains or a smooth surface that rival custom wood.

American Style Collection™

Mahogany Collection™

Rustic Collection™

Oak Collection™

Canvas Collection™

Rated a Consumers Digest Best Buy for its exceptional warranty, quality of materials and construction, and resemblance to a real wood door.

The look of real wood.
Realistic wood grains that are virtually indistinguishable from high-grade wood door, thanks to Therma - Tru's AccuGrain® technology.

Fiber-Classic® Collections

The industry's first fiberglass door delivers the look and feel of real Mahogany and Oak with excellent performance and value.

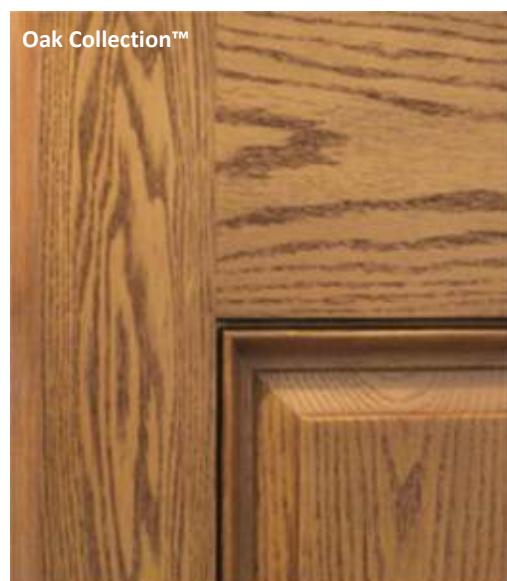

The door that started the fiberglass revolution, Fiber-Classic®, has stood the test of time. The line features two collections; Mahogany and Oak. Fiber-Classic® Mahogany is designed to capitalize on consumer preferences for hardwoods in home interiors, extending the look to the outside with entryways that deliver beauty and elegance. Fiber-Classic® Oak pairs the durability and strength of fiberglass with the distinctive craftsmanship of natural oak, making the collection the perfect fit for a variety of home styles and pocketbooks.

High-definition panel embossments are standard on all doors and sidelites.

Smooth-Star®

A smooth, ready-to-paint fiberglass door that offers excellent performance and value.

Sometimes your customers just want something smooth. Smooth-Star® is the perfect answer when the best look for the home is delivered in a sleek, paintable package. The more attractive and durable alternative to steel, Smooth-Star® entryways are ready-to-paint with crisp, clean contours that meet the needs of homeowners seeking more color options for their doorways.

High-definition panel embossments are standard on all doors and sidelites.

Profiles™ Steel

Bring style and affordability together to create very attractive results with our steel doors.

Profiles™ Steel doors offer safety and style at an affordable price point. Therma-Tru® steel doors are engineered with 1-1/4" lock and hinge stiles as well as 12-3/2" lock blocks for increased rigidity, stability and security. The doors come with a 20-Minute Fire rating option on opaque doors, making them perfect for house-to-garage applications. For door styles with lites, 16 decorative, 5 privacy, Low-E and clear glass options are available. In combination with a primed, ready-to-paint surface, Therma-Tru® steel doors offer options to match any home style or budget.

Features 24-gauge steel, smooth surface and triple-shadowed panel embossments for greater definition on all doors and sidelites.

Traditions Steel

Bring style and affordability together to create very attractive results with our steel doors.

Traditions Steel doors offer safety and style at an affordable price point. Therma-Tru® steel doors are engineered with 1-1/4" lock and hinge stiles as well as 12-1/2" lock blocks for increased rigidity, stability and security. The doors come with a 20-Minute Fire rating option on opaque doors, making them perfect for house-to-garage applications. For door styles with lites, 16 decorative, 5 privacy, Low-E and clear glass options are available. In combination with a primed, ready-to-paint surface, Therma-Tru steel doors offer options to match any home style or budget.

Features 25-gauge steel, standard embossed smooth surface panels on all doors and sidelites.

Pulse®

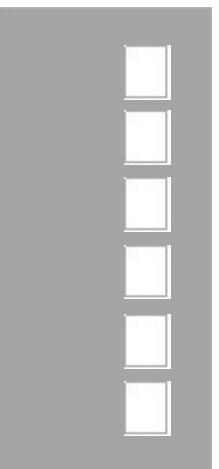

Clean lines. Crisp angles. Sleek designs. Vintage style. Pulse is a contemporary studio of door styles and glass designs that can be combined to make a bold statement. With three distinct aesthetic approaches – Ari, Línea, and Echo – the entrance becomes MODERN ART.

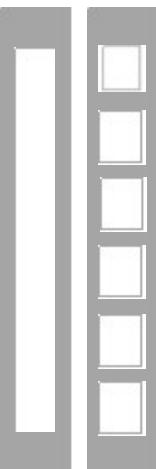

Ari

Linea

Echo

It's your decision, by design.

Pulse is geometry with energy. Designed to be fun and easy to mix and match with sleek, flush door and sidelite styles, you can create a modern entrance without missing a beat.

Pulse® Flat Frame

Clean lines. Crisp angles. Sleek designs. Vintage style. Pulse is a contemporary studio of door styles and glass designs that can be combined to make a bold statement. With three distinct aesthetic approaches – Ari, Línea, and Echo – the entrance becomes MODERN ART. Select the Flat Frame profile for a sleeker, modern architectural appeal.

Ari

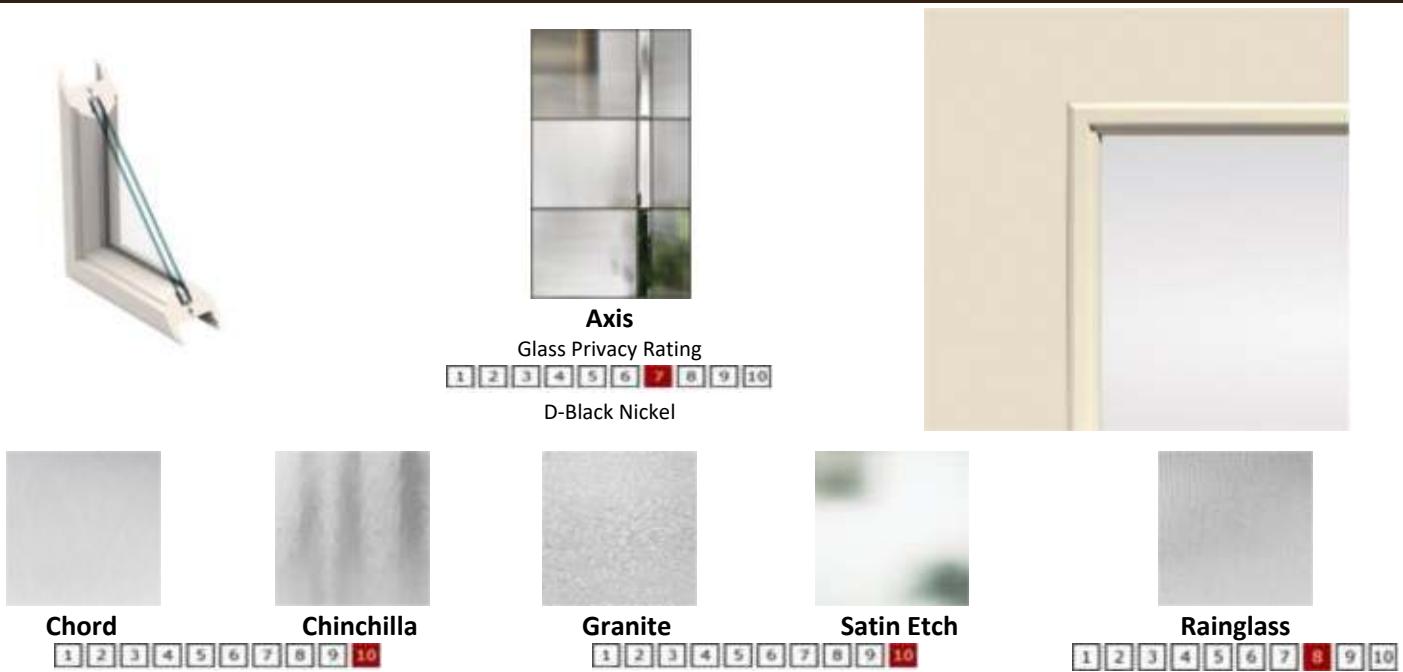

Linea

Echo

It's your decision, by design.

Pulse is geometry with energy. Designed to be fun and easy to mix and match with sleek, flush door and sidelite styles, you can create a modern entrance without missing a beat.

20 Minute Fire Doors

Classic-Craft®, Fiber-Classic®, Smooth-Star®, Steel

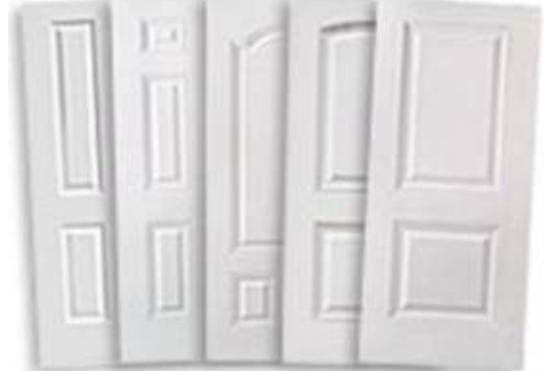

Multi-Family Residential

House to Garage

20 Minute Fiberglass

20 Minute Steel

All of our opaque Classic Craft®, Fiber-Classic®, Smooth-Star® fiberglass doors can be ordered as 20 Minute Fire rated product. Featuring a proprietary cement core, the doors deliver increased protection over polyurethane foam. Our Profiles and Traditions steel doors can also be ordered to meet this standard.

From smooth to grained, fiberglass to steel, we've got the product needed to meet national and local code requirements for garage to house entry, multi-family residential properties and hotel/motel unit entries.*

*To confirm fire-door requirements in your jurisdiction, always check with your local Building Code Authority.

Additional Option

20 Minute Rated Radius and Arch Top door Styles are available in some Classic Craft Rustic and canvas styles. Call for Quote on these styles.
90 Minute Rated Units need a field extender pack to be installed.
Field extender packs for steel split jambs are shipped separately.

Standard Single Unit Includes:

For Prehung Units See:
Frame Adders and Options Pages
